

God Continues to Bless Many Lives!

A Complete Christian Library Being Sent to Uganda Africa

We thank God for so many glorious blessings that are taking place as we continue to seek His heart. We give God all the glory as He continues to guide us in every step of the way.

It is very exciting to announce that we are shipping out a complete library of Christian books that will bless countless lives to be able to grow in the grace and knowledge of our precious Lord and Savior Jesus Christ.

Pastor David Lind has given us his complete library of Christian books that will be an incredible blessing to help to equip many pastors and leaders throughout Uganda, Africa.

We have also received many other book donations that are also being added to this to help our dear brothers and sisters there to grow up into everything that God would want for their lives.

The total weight of this load of books along with baking items for the women and many other things totals about 2,500 pounds! All glory to God!!!!

A Trip to Nepal in December to Minister God's Heart!

I am so very excited about the open door that God has done for us to travel this December to Nepal where we will be holding many different meetings and events to bless the lives of the beautiful Christians that are within the hills of Kathmandu and the surrounding towns and villages.

I will be staying with Pastor Rajesh Panta and his wife Pratikasha who have two natural children of their own along with eight orphan boys that they are raising.

The two of them have incredible hearts for Jesus and I am sure that God will do many beautiful things as I am there with them.

I have also been privileged to help to start a church there called "Living Hope Church" about a year and a half ago. I will be very excited to see and to minister to these brothers and sisters there in Lalitpur, Nepal.

Haddassah Girls Empowerment Center for Orphan Girls Update!

Nothing blesses our hearts more than to get pictures and updates of how wonderful our orphan girls from Haddassah are doing with learning to make a variety of jewelry in Uganda, Africa.

We are so very proud of every one of them and we believe that God will bless them all with a hope and a future since we know this is the heart of the Father.

Food to India Orphans

We thank God for the continual food that we are able to supply for the orphan children of Punjab, India that are in such desperate need. As Proverbs 29:7 says... The righteous considers the cause of the poor.

A Life Being Transformed

Nothing in life is greater than to see a life transformed by the awesome power of God!!! Sekabonja was always drunk and never took care of his family. He never experienced love until he met Jesus and now his life is being changed and we are teaching him how to farm and to supply for their needs.

Another New Sewing Project

There is no doubt that our precious Jesus continues to bless us so that we can be a total blessing to others! Here we have another group of poor women in Bulenge, Africa that we were able to help to start to teach them how to sew by supplying them with machines and material.

Our deepest thanks for all who partner with us!

We are so humbled by the amazing hearts that so many have shown to us with gifts that have literally helped us to change thousands of lives in many places of the world. We bless the Lord for His faithful servants who hear from Him and who partner with us to change so many lives!

Our love to you all!
